Amazing Race

Challenge

run the race

In one day you will experience the excitement and challenge of being in a real live Amaz-ing Race, whilst being treated to the skills necessary to beat the corporate rat race.

Each team will be issued with the following equipment:

A series of different maps.
The first Race Envelope.
Global Positioning System.
Instructions, rules and regulations of the program.

Optional tasks include 2 Survivor challenges, 2 Fear Factor challenges and an Apprentice challenge.

Experience team building at its very best while developing communication skills and fine tuning leadership.
