## Mountain Biking

### Pedal

experience the bush on mountain bikes

This experience is varied and exciting, with terrain of all types, to suit the requirements of any mountain biking enthusiast, from beginner to professional.

Escorted biking trails through 'Big 5' country will afford you the luxury of spectacular views over various terrain.

A facilitated 1.5 hour mountain bike trail, includes 2 trails of 15 pax each with 2 guides on each trail.

For further safety and convenience the following is included:

- 2 way communication between base camp and guides.
- Mobile back up vehicle servicing both groups, complete with experienced bike technician, full set of spares, with additional backup bikes and game ranger to accompany the trailers.
- All related equipment including Trek 3600 bikes and mandatory helmets.
