Okavango Mokoro Trail

Mokoro

absolute exclusivity

There is no better way to experience the Okavango than to travel through it by Mokoro and then to walk and camp out on its beautifully remote islands.

The Mokoro Trail is a specially designed Mokoro (traditional canoe) experience, allowing visitors a unique opportunity to search for rarely seen creatures such as the Sitatunga and Pel's Fishing Owl.

One of the special attractions of this program is its absolute exclusivity and flexibility, resulting in the bonding of teams, creating lasting friendships and wonderful memories.
